OUR LEGACY & BIBLICAL STORIES

Rev. JASON L. MOFFAT

Recently added to the Stanford “Who’s Who of Premier Professionals” – as a result of his work in the field of counseling services, Rev Jason L. Moffat works in various ministerial roles in Saskatchewan, including the regional representative of World Vision Canada .

Jason also shares on the internet, giving his insights on Fatherhood, Gifts, Leadership, Global issues and much more (check out his website <http://jasonlmoффat.com>) .

Jason is a man of integrity who focuses his efforts on mentoring, and advocating for the poor and the outcast.

He is responsible for the regional implementation and execution of the World Vision Canada national fundraising campaigns including the Gift Catalogue, Child Sponsorship, and 30 Hour Famine.

As a Father his website recently described how the gift of children and family time, reminded him to cherish the wonderful and precious gifts he has received.

Psalm 144 describes people’s days as a “mere breath that is like a passing shadow”.

Come out to Church Men’s Camp and listen to Jason talk about our Legacy and how it matches the Biblical stories of old.

WHY GO TO CHURCHMEN'S CAMP?

I am often asked, why go to Churchmen’s Camp? I am never at a loss for words, however, one thing that really stands out in my mind, is the honor of being in the presence of **True** men of God. Not the professionals, the educated or the pretentious ones, but those men that just get out there and do the LORD’s work.

I am inspired by every man I meet at Men’s Camp. Come out to Camp and meet these men of God. I’ll see you there!
